

CALEB ORAKPOR

FRONT-END REACT DEVELOPER

RESUME OBJECTIVE

Responsive front-end developer focusing on JavaScript and React development. I am innovative, talented, and outspoken, eager to continue my career by joining the Firanse Food web development team where I will continue flexing my creativity and expanding my knowledge in web development.

EXPERIENCE

March 2018 – November 2018 | ICT/Innovation Centre UNN, Enugu State

Web Developer Intern

- Developed user interfaces with modern JavaScript frameworks, HTML5 and CSS3.
- Prioritized and problem-solved several tasks concurrently with minimum supervision.
- Shadowed developers to learn key details about job duties and tasks.
- Wrote custom HTML and JavaScript for existing websites.
- Worked closely with developers on creating new code.
- Adapted quickly to a constantly changing, deadline-driven environment.
- Collaborated with project managers and the development team to brainstorm new ideas
- Design mobile-based features
- Help back-end developers with coding and troubleshooting
- Ensure high-quality graphic standards and brand consistency
- Trained over 10 IT interns in internal web functions, including steps on how to independently make minor updates and changes
- Fixed bugs from existing websites and implemented enhancements that significantly improved web functionality and speed
